How to calculate your licence fee for the concerts listed on the back page

The licence fee for each concert depends on whether admission is charged. For paid admission, the fee is a percentage of gross ticket sales (exclusive of sales and amusement taxes), while for free admission, the fee is a percentage of what is paid to the performing artists. A minimum licence fee of **\$35** per concert applies to both paid and free admission events. Complete the calculation table found on page 3 for all the concerts you have listed.

Terms of this licence

The legal terms that govern your licence include those set out herein as well as the terms found in the approved tariff including the General Provisions, as approved by the Copyright Board for each year (collectively, the *tariff*). If you have any questions regarding the terms, please contact us at the address and numbers shown at the bottom of this page.

1. If the tariff for a year has not been approved by January 1st of that year, the last approved tariff will govern until the new version is approved, at which time the per concert licence fees will be adjusted to reflect the approved version for the year.
2. A copy of any tariff may be obtained from SOCAN by calling **1.866.944.6223**.
3. The licence fee, plus applicable taxes, will be calculated in accordance with the terms of the tariff based on the information set out in the most recently filed report form or audit form, subject to adjustment to reflect any updated reports or audits pursuant to the tariff.
4. We have the right to audit your books and records, on reasonable notice and during normal business hours, to verify your statements and licence fee.
5. You will keep records of all information required to calculate the licence fees.
6. You will submit to SOCAN a licence application prior to the concert and will submit licence fees and report forms within 30 days of the concert.
