*Day refers to any period between 6:00 a.m. on one day and 6:00 a.m. the following day during which the establishment operates as an adult entertainment club.

**Capacity is the total number of people (seated and standing) authorized under the establishment's liquor licence (or any other document issued by a competent authority for this business).

Licence fee calculation

The licence fee calculation is based on the previous year's capacity, the number of days the establishment operated as an adult entertainment club, or an estimate of the same for the licensed year.

EXAMPLE 1:

In 2010, the Tropical Club was open for 200 days with a capacity of 150 persons (as per the club's liquor licence).

Fee: $200 \times 150 \times \$0.044 = \$1,320$
The club's 2011 licence fee is \$1,320 + taxes

EXAMPLE 2:

The 2012 estimated invoice is based on the 2011 capacity and actual number of days of operation as an adult club. The Tropical Club in 2011 opened for 250 days, not 200 days like in 2010. The 2012 fees will be calculated on the adjusted 2011 actual number of days and a balance will be owed for 2011 (based on the increase).

Fee: $250 \times 150 \times \$0.044 = \$1,650$
The club's 2012 licence fee is \$1,650 + taxes
